The Affiliated Advantage

Tax Exempt Financing Designed Specifically to Meet Your Budget

At Affiliated Investment Group, Inc. we recognize that purchasing quality equipment & installation often requires financing help. For this reason Affiliated provides flexible, hassle-free financing programs designed specifically for government agencies.

Affiliated Investment Group, Inc. will work with you to provide fast, friendly financing with competitive rates and flexible terms. Whether you are planning on utilizing revenue funds from annual appropriations, your Affiliated finance specialist will structure a financing program with the payment terms and flexibility to meet your budget & individual financing needs.

Your Affiliated Investment Group representative is a governmental finance specialist. Someone who understands your budgetary restraints and requirements. Someone who has the experience to provide timely and accurate answers.

Additional Financial Assistance

We understand that computer systems and office equipment are not all you need. Sometimes competing purchases can cause costly delays in implementing your solution. With Affiliated Investment Group's financing strength, there is no need to delay your purchases. We can include miscellaneous equipment, consolidate various purchases, and even incorporate existing debt into our financing program.

Affiliated Investment Group, Inc. has worked with hundreds of governmental entities just like yours. We are eager to assist you with financing:

**100% of Your Equipment Solution
Hardware/Software
Installation/Training
Conversion
Maintenance
Site Preparation
As well as
All Types of Equipment & Personal
Property**

The Benefits of our Financing Programs

Every City and County wants to provide the highest degree of services. Yet, most are faced with budgetary constraints that limit their ability to do so. With competitive rates from Affiliated we are able to help you stretch your budget dollars further. Our Lease/Purchase programs give governmental entities a fast, flexible and more importantly, an affordable way to acquire the quality products they need, when they need them. With additional benefits:

- ◆ Obtain needed equipment today while taking advantage of tax exempt interest rates.
- ◆ Avoid large lump-sum expenditure by spreading cost of equipment over its useful life.
- ◆ Accumulate equity with every payment, realizing ownership with last payment of \$1 at lease end.
- ◆ Avoid cost and complexity of a bond issue. Easy process and paperwork.
