

It has been extremely rewarding working with Affiliated Investment Group throughout the last year. The exemplary service and accommodating nature of the staff make the approval and closing process very seamless from a broker perspective. It is a full service lending source which implements flexible solutions to many of the challenges that we as brokers encounter and it is greatly appreciated.

It's been a pleasure working with Affiliated over the years. You have always approached the more complicated deals with a positive attitude. Your willingness and desire to find a way to make it work has made all the difference on a number of occasions.
